

Proposals must be completed and routed seven (7) business days before the deadline for OSP to submit the proposal.

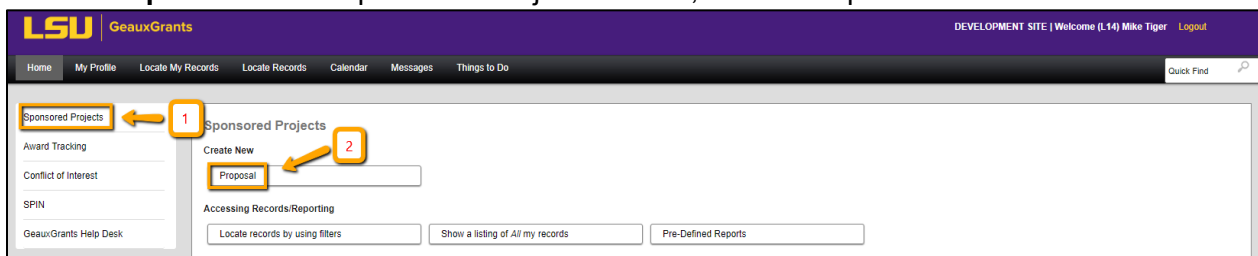

Creating Post Award Modification/Prior Approval Requests Excluding Change in Investigator

Modification Requests/Prior Approval Requests are post award requests either submitted to the sponsor or internal prior approval. These must be routed in GeauxGrants for review and approval **prior** to submission to the sponsor. For a change in Principal Investigator or Co-Investigator, see the Creating Post Award Modification/Prior Approval Requests for a Change in Investigator.

How to Create a Proposal Development (PD) Record

It is recommended that you use Chrome or Firefox for GeauxGrants. Login through my LSU

- **Step 1:** From the home screen, select “Sponsored Projects” on the left-hand navigation tabs
- **Step 2:** From the Sponsored Projects screen, select “Proposal” under Create New

Helpful tips for Creating a Modification/Prior Approval Request

- Know the proposal number for the award that you are requesting a modification/prior approval request.
- The New Proposal Questionnaire consists of several steps (Steps 0-7)
- To go back a step, click Back on top right.
- All search fields are progressive text.
- Hit Done button on top left to close out the proposal instead of closing browser using X on top right.

New Proposal Questionnaire

- Step 0: Defaults to user. Change to the Principal Investigator (PI) by clicking Change. Type last name, first name of PI and click Select.
- Step 1: Click on “Copy From Existing Proposal” and click Continue
- Step 1 Continued: Enter Proposal number in box. Make sure to use the most recent submission (transaction) if more than one submission (e.g. AM200150-01). If you use the browse function, results appear at the bottom of the screen. Do not check “Include all Proposal Attachments.” Click Continue.

Step 7: Number of Budget Periods 3

Is all of the above information correct? ***NOTE: Clicking "Create Proposal" will create a new proposal with the properties you have indicated above. There is one final screen of questions to be completed before you can start entering your new proposal. Again, you will be able to change the properties of the proposal once it has been created if need be.**

Step back through responses **Create Proposal**

Setup Questions

- All tabs and information from the previous GeauxGrants proposal you copied will appear.
- Click Show to expose the screen template.

Filter Clear

- Click on record to populate Setup Questions tab with linked proposal. You link proposals to the Master Submission (first submission).
- The proposal number now changes to the next child submission (previously transaction). For records created from SPS converted records, the numbering will not be correct. In the example below, the next transaction/submission should be 49318-2 instead of the auto numbering of 49318-1-01. Contact osp@lsu.edu to correct the institution number BEFORE you route the request. This institution number will appear on all routing emails.

Test SPS Converted Record
