These spreadsheets contain additional budget information and will automatically calculate fringe benefits, indirect costs and the composite budget page.

<u>Notes</u>: If Graduate Assistant (GA) tuition remission is budgeted as institutional match, the GA <u>must</u> be appointed and charged as proposed in order to ensure the tuition remission match is met.

If currently holding multiple ITRS/PoCP contracts, the PI should note that at least one of the previously awarded ITRS or PoC/P contracts must be fully closed out, i.e., all final reporting submitted and approved by BoR including the return of any unobligated funds, before submission of a new notice of intent or proposal.
